We are pleased to advise that *Joe Usry Chrysler Dodge Jeep Ram* has joined MCC's select group of sponsors. Opened since November 2010 the dealership is located at 5395 I-55 in North Jackson. MCC's 7th Annual Shake, Rattle & Roll Car Show Sets New A Record!

With just over 200 classic cars & trucks participating this year at Ridgecrest Baptist Church in Madison, the 2011 event is the largest yet, up from 172 vehicles in 2010. Great weather, a great location and a live remote from local radio station Z106 all contributed to a record turnout of classic cars and spectators from across the state. Music by local band *Shadz of Grey*, delicious food prepared by local food vendors and church members, several neat merchandise vendors all added to the fun. The event ended with the presentation of 80 awards for the top cars, trucks, street rods and imports. Shown below are a few photos taken at the event. To see a complete photo gallery of this event be sure to visit www.msclassiccruisers.com.

2011 Scarecrow Cruise & Car Show Updates.....

Work on the 8th Annual *Scarecrow Cruise & Car Show* started the day after the event ended last year and is really heating up as we will soon be starting the 3rd quarter of the new year. With just over 300 registered vehicles in 2009 and just over 400 registered vehicles in 2010 one can only imagine what the count will be in 2011. We are anticipating another increase in registered vehicles and spectator attendance and are planning accordingly. The *Cruisen-4-Cash* event on Friday and the *Classic Car Caravan* on Saturday morning are very popular and will continue in 2011. We are also planning to introduce some new activities this year including a Scarecrow contest, more awards and a few other new and exciting things that we will share with you as we get closer to the October 21-22 dates.

"Looks like the event organizers are planning a Scarecrow contest at the 2011 event. With my obvious beauty I should be a shoe-in for an award. Just a few more nip and tucks and I'll be at my best come October. Can I count on your vote?" Lady Scarecrow

Sponsor support is a major factor in the success of the Scarecrow event and we are lucky to have some of the best sponsors around. BankPlus, Madison The City, Patty Peck Honda, Harreld Chevrolet, Lenny's Sub Shop, Back Yard Burgers, Smoothie King, Kees Photography, Tulane University, Venable Glass, Service Printers, Gray-Daniels Nissan North and Q105 have already committed to the 2011 event. Over the next month or so we will be getting with the remainder of last year's sponsors to ask for their support again this year. We are also looking for a few more select sponsors that find value in supporting this event. If you would like to sponsor the 2011 Scarecrow event or know of someone that might be interested please contact MCC member Tom Phillips at 601-259-5248 or by email at tomp1951@aol.com or Mike Martin

at 601-906-1196 or mikeamartin02349@aol.com. We have Bronze, Silver and Gold programs that can be tailored to fit your individual needs.

It's that time of year again when Lady Scarecrow is out looking for classic cars to use for the new *Scarecrow Cruise & Car Show* poster. Shown below are a few of the many beautiful classic cars she has been checking out for the 2011 Scarecrow poster.

We are pleased to advise that BankPlus is coming back as the title sponsor for the 2011 Scarecrow event! BankPlus is a great supporter of community events and we are extremely proud of our association with this fine company. THANK YOU BankPlus for your ongoing support!

What does the new elevated highway in Madison mean for the Scarecrow event?

Looking ahead....If you have not been to Madison lately the construction crews are very busy building a new bypass around downtown Madison that will include an elevated highway over the rail road tracks. Mayor Mary Hawkins Butler has told us that when the bypass is completed she will allow us to block off Main Street so that we can park classic cars right there on Main Street during the Scarecrow event. This will give us a lot more parking space and will add to the fun for everyone. Not sure it will be completed in 2011 but for sure in 2012.

Shown is one of the support structures for the new elevated highway under construction in Madison.

Pictured is Eric Norris, Owner of Image Gallery at one of his frame shops. See his special offer extended to all MCC members and sponsors for framing Scarecrow Cruise & Car Show posters. It's truly a GREAT deal!

Get Your Scarecrow Posters Professionally Framed For just \$35 Each!

Image Gallery - Fine Custom Framing - with locations in Madison & Brandon, is extending a special offer to all MCC members and sponsors. For just \$35 each you can get your 18" X 24" *Scarecrow Cruise & Car Show* posters professionally framed. They will have a nice black wood frame, glass front, dry mounted on a acid free foam core, sealed with a paper dust cover on the back, wire hanger and hardware included. The usual cost for a custom 18X24 wood/glass frame is about \$75. Sure, you can spend less at Walmart for an 18X24 frame but it will have a

plastic frame and plastic cover and it will not take long before you start seeing waves in your posters. If you want them to look good and to last they need to be professionally framed. Owner Eric Norris is extending an even better offer of \$30 each to those that get a minimum of four posters framed. Also, for the first five members and sponsors that order frames for all seven posters (2004 - 2010) he will even supply all the posters as well! The Scarecrow posters are highly collectable so you need to act fast. You can contact Eric at the numbers shown to the right. Eric is a big supporter of the Scarecrow event and for the past several years has given away lots of gift cards at the event. Thank you Eric for your ongoing support!
