We are also pleased to announce that **Natchez Trace Funeral Home** has also just come on board as a MCC sponsor. A complete write-up will appear in the April newsletter. Welcome owner and fellow car enthusiast Larry Chedotal!

Let's welcome The Wicked Rod Shop as our newest sponsor!

Have you ever seen unbelievably beautiful street rods that have been chopped, channeled or raked and wonder who in the world has the talent to do this kind of work? Yes, we have such a person right here in the Jackson metro area. Mr. Ware Hodo, owner of The Wicked Rod Shop located in Pearl, is the man that can do just about anything to your custom car or truck including fabricate custom grilles, dash boards, valve covers, french headlights & tail lights & french antenas, roll cages, header fabrication, floor pans, chopped tops, custom gas tanks, custom bumpers and any other thing that you want done. If you have an idea Ware can turn it into reality!

Ware has been working on cars for about 20 years. He and his crew of three opened up shop back in May 2008 and have since done a lot of custom fab work for some of the finest cars around. Adding to the list of services he can also do air bag suspensions, disc brake conversions and custom engine work.

Pictured is Ware Hodo receiving his MCC sponsor certificate from MCC Board Member Louis Oursler.

Pictured is one of several project vehicles in Ware's shop.

Early & late model, domestic and imports, cars, trucks and even motorcycles – Ware and his crew will be happy to take a look at your project. Once your project is in his shop you can follow its progress through pictures added every day to Face Book. You can now see the progress being made on your classic from the office, home or even while you are on the road. To contact Ware Hodo call 601-940-1172 or by email at ware@wickedrodshop.com.

An advertisement for The Wicked Rod Shop. The central graphic features the word "WICKED" in a large, gothic font at the top, followed by a skull inside a spade symbol, and "ROD SHOP" in the same gothic font at the bottom. The skull is surrounded by decorative flourishes. To the right of the central graphic is a list of services: Restorations, Roll Cages, Engine Swaps, Floor Pans, Top Chops, Custom Paint, Fabrications, Classic Street Race. Below the list is the address: 2649 Hwy. 468, Pearl, Mississippi, and the phone number: 601-940-1172. At the bottom right, it says "Ware & Sheila Hodo." There are small illustrations of various cars around the text. At the bottom left, the website "Ware@WickedRodShop.com" is listed. The entire advertisement is framed with a decorative border.

We are pleased to advise the **MCC sponsor Printables and More** has recently moved to a new location. Their new location is still in Ridgeland about two miles away from their previous site now located at 115 North Wheatley two buildings north of Ro' Chez Restaurant off of West Jackson Street. The phone number has not changed, 601-898-1790. As soon as everything is in place they plan to have an open house. We'll keep you posted.

601-898-1790

**Appliance Specialist
repair and installation
J.W. Hames
601-316-3215**

MCC sponsor J.W. Hames, owner Appliance Specialist is ready to fix any home appliance that you have. Stoves, ovens, refrigerators, freezers, dish washers, ice

machines, washers, dryers and more. If it has to be fixed why not call someone you can trust. J.W. has worked on appliances of many of our members' appliances for several years and is always prompt and fair. Be sure to call J. W. Hames the next time you have a need. By the way, J.W. is a diehard Mopar man. His beautiful orange Plymouth Superbird was featured on the 2009 Scarecrow Cruise & Car Show poster!

In January we advised that **Watson Quality Ford** and **Car Care Clinic Jet Lube** renewed their sponsorships for 2011. For February we are pleased to advise that these sponsors renewed for 2011 as follows: **Ridgeland Auto World, Tyer's Professional Auto Service, Extreme Auto World, Pettit Builders and Printables & More.** As you do business with these sponsors be sure to thank them for their continued support. Having great sponsors is a big reason for the success of MCC.

MCC sponsor PuroClean, The Paramedics of Property Damage, helps families and businesses overcome the devastating setbacks caused by water, fire, mold and other conditions resulting in property damage. **PuroClean** works with most major insurance companies to handle claims and in most cases direct bills your insurance provider for services rendered. Look us up on the web at www.purocleanms.com or call us at 601-856-2530. **PuroClean** is locally owned and operated by Rob Thornton. Should you have a need for these services be sure to let Rob know you are a **Mississippi Classic Cruiser!**

Remember that all MCC members and sponsors will get a discount on their purchases at any O'Reilly Auto Parts store with the **Mississippi Classic Cruisers** special account number. If you do not have the account number, contact Tom Phillips at tomp1951@aol.com or 601-259-5248. You'll be glad you did!

MCC February 2011 Cruise-in at Renaissance in Ridgeland!

To see more photos of the February cruise-in visit www.msclassiccruisers.com.

***You Are Invited To Participate In The
Mississippi Classic Cruisers***

3rd Annual Road Trip!

March 26, 2011

The 3rd Annual MCC Road trip is scheduled for Saturday, March 26. It will be a leisurely trip down the Natchez Trace to attend the Port Gibson Main Street Heritage Festival.

We will meet at Tyer's Professional Auto Service Shop at 8:00am. Their address is 117 E. Cynthia Street in Clinton near the Trace. Coffee and donuts will be provided! For those that arrive early you can tour Tyer's shop as well. It's one of the cleanest shops in town. The caravan will depart Tyer's shop at 8:30am sharp.

It is about an hour's drive to Port Gibson from Tyer's shop in Clinton and we should arrive around 10:00am. We will probably make one restroom/gas stop along the way.

Once we arrive in Port Gibson our classic and special interest cars will have a special reserved parking spot in the Festival for spectators to view.

We will have lunch at the Festival and will be able to partake in all the festivities including the ***Walking Church Tour***. At about 1:30pm we will leave to visit the ***Ruins of Windsor***. We will plan to depart as a group from Port Gibson at about 2:30pm giving us plenty of time to get home before dark. If you need to depart earlier please feel free to do so. Remember that daylight savings time begins on March 13 giving you even more time to get home before dark.

For more information about the MCC Road Trip to Port Gibson contact MCC member Mike Martin at mikeamartin02349@aol.com or 601-906-1196.

MCC's 4th Annual Garage Tour Was Unbelievable!

If you did not get a chance to participate in the 4th Annual MCC Garage Tour last Saturday (March 5, 2011) you truly missed out on something very special. More than 70 die hard car guys (and gals) braved the rain to make the tour to all three outstanding garages. It may have rained but it certainly didn't dampen the attendance and excitement. Each garage offered something uniquely different. One garage was definitely a working man's shop, one took on more of an appearance of a museum much like that of Jay Leno's place and one garage took everyone back in time to the 50's when the diner was the ideal place to hang out. It was very obvious that the owners of these three garages spent a lot of time getting their places ready for the tour. A big thank you goes out to Bill Echols, Jimmy & Lissa Jones and Paul & Karen Westwood for their part in making this a grand event. Another big thank you goes out to MCC member Mike Martin who organized this unbelievable tour. On behalf of MCC Mike Martin presented the garage owners with a very nice certificate of appreciation for their efforts.

The first stop was that of Bill Echols located in Richland. Bill is a true craftsman building street rods from the ground up often times starting with a basket case and turning them into unbelievable works of art. His current project shown in the pictures below is a 1937 Ford truck painted BURPLE (a cross between blue and purple) with a small block Chevy, custom chassis, 4-wheel disk brakes, with all power including air conditioning that he hopes to finish this fall. With a little luck it will be finished in time for the *Scarecrow Cruise & Car Show* later this year. His garage is fully equipped to turn out some of the finest street rods in the country. His garage and his cars have been featured in several local and national magazines and it is easy to see why they have gotten so much attention. Shown below are some of the pictures taken of this amazing garage.

The second stop was that of Jimmy and Lissa Jones in Brandon. A beautiful and secluded setting set the stage for what was inside the very large garage. As everyone made their way into the garage all were amazed to see some of the most beautiful muscle cars around. There they were all perfectly lined up, extremely clean, each one nicer than the one before it, all Chevys (one lone Chrysler) taking on the appearance of a museum much like that of Jay Leno's garage. One beauty was a rare 1972 Corvette was once on display in the Corvette Museum in Bowling Green, KY. The colorful neon signs, the large major oil company signs, a life size Ronald McDonald and Shoney's Big Boy also added to the museum like feel of this outstanding garage. It just doesn't get any better than this! His only problem is deciding which car to take out on cruise night. Shown below are a few of the many pictures taken inside this stunning garage.

The 3rd stop on the tour was that of Paul and Karen Westwood in a park like setting in Madison County. This was far from being your typical garage. As folks entered the front door they were amazed at what they saw. Many expected to be greeted by a cute waitress handing them a menu and then taken to their table. There they were, several booths and tables, black & white checker floors, an old Coke machine, beautiful neon signs and the smell of BBQ, baked beans and potato salad. A 1934 Studebaker, a 1955 Oldsmobile Holiday and a Nash Metropolitan parked out front added to the Al's Diner and Happy Days feel of the 50's. At any moment we expected to see The Fonz walking out of the restroom combing his hair! Seeing is believing so take a look at some of the photos below taken at the Westwood's garage.

To see more pictures of MCC's 4th Annual *Garage Tour*, please visit our web site at www.msclassiccruisers.com.

2011 Scarecrow Cruise & Care Show Updates.....

Work on the 8th Annual *Scarecrow Cruise & Car Show* started the day after the event ended last year and is really heating up as we will soon be starting the 2nd quarter of the new year. With just over 300 registered vehicles in 2009 and just over 400 registered vehicles in 2010 one can only imagine what the count will be in 2011. We are anticipating another increase in registered vehicles and spectator attendance and are planning accordingly. The *Cruisen-4-Cash* event on Friday and the *Classic Car Caravan* on Saturday morning are very popular and will continue in 2011. We are also planning to introduce some new activities this year including a Scarecrow contest, more awards and a few other new and exciting things that we will share with you as we get closer to the October 21-22 dates.

Also, as you many of may know the Scarecrow event started in 2004 with just one sponsor, a few local classic cars showed up and was lucky to break even. Through the efforts of a lot of volunteers the event has since grown to be the largest car show event in Central Mississippi and last year had over 400 registered vehicles, 20 sponsors and cleared about \$30,000 for local charitable organizations. In these tough economic times our contributions to SIDS (Mississippi SIDS Alliance) and to Hope Hollow (a camp for children with disabilities) are particularly important. As we grow the event with more registrations and new sponsors we hope to be able to continue to increase our contributions to these very worthy organizations.

Sponsor support is a major factor in the success of the Scarecrow event and we are lucky to have some of the best sponsors around. BankPlus, Madison The City, Patty Peck Honda, Harreld Chevrolet, Lenny's Sub Shop, Back Yard Burgers, Smoothie King, Kees Photography, Tulane University, Venable Glass, Service Printers and Q105 have already committed to the 2011 event. Over the next month or so we will be getting with the remainder of last year's sponsors to ask for their support again this year. We are also looking for a few more select sponsors that find value in supporting this event. If you would like to sponsor the 2011 Scarecrow event or know of some one that might be interested please contact MCC member Tom Phillips at 601-259-5248 or by email at tomp1951@aol.com or Mike Martin at 601-906-1196 or mikeamartin02349@aol.com. We have Bronze, Silver and Gold programs that can be tailored to fit your individual needs.

Here is what a couple of the sponsors are saying about supporting the Scarecrow event:

PattyPeck *"The annual Scarecrow Car Show is a fun time to get out into the community to meet people to introduce them to the great product line that we offer. Often times they just don't have time to get to our show room so we take the product to them. We are a proud supporter of the Scarecrow event and will be at the 2011 event in a big way." Bob Aubrey, General Manager, Patty Peck Honda, Ridgeland, MS*

"We are thrilled to participate in an event of this magnitude and for such a great cause. With so many participants and spectators we look forward to being a sponsor again in 2011. It's good for the community and good for business!"

Bryan Grove, Owner, Lenny's Sub Shop, Madison, MS

We are pleased to advise that BankPlus will once again be the title sponsor for the 8th Annual Scarecrow Cruise & Car Show in Madison, MS scheduled for Friday and Saturday, October 21 -22, 2011! This will be their fourth year as the title sponsor and

is one of the reasons that the Scarecrow event has grown to be the largest car show event in Central Mississippi. Thank you BankPlus!!
