***Madison City Officials And Area Businesses Get Ready For The Scarecrow Event!***

It's time again for the 8th Annual **Scarecrow Cruise & Car Show** as city officials and local businesses prepare for the largest event each year in Madison. With upwards of 500 antique, classic and special interest vehicles and 5,000 to 6,000 spectators expected at this year's Scarecrow event in downtown Madison, just about every city department is affected by the event. The Madison Chamber started promoting the event several weeks ago and has a big Scarecrow poster in their new Chamber headquarters on Main Street. The Chamber office will also be one of the stops along the **Cruisen-4-Cash** event on Friday, October 21. The Madison Public Works Department and Parks & Recreation will be busy getting the grounds ready, cutting the grass, trimming the trees and sprucing up the flower beds around the big Red Caboose. The staff for the Madison Square Center For The Arts will be preparing the buildings and rest rooms for our visitors. The Madison Police Department will be scheduling police officers to escort the 100 vehicle **Classic Car Caravan** from Reunion Golf Course to downtown Madison on Saturday morning. They will also be helping to direct traffic around the busiest intersection in all of Madison for most of the day. And yes, they may even have to fuss at a few hot rodders for things they should not be doing! A BIG thank you is in order for the City of Madison!

***Pictured is Mary Hawkins Butler, the Mayor of Madison. Mayor Mary is a BIG TIME supporter of the Scarecrow Cruise & Car Show!***

## ***Get Your Scarecrow Posters Professionally Framed For just \$35 Each!***

***The Image Gallery has framed more than 100 Scarecrow posters in recent weeks. Shown are some of the newly framed posters waiting to be picked up. Owner Eric Norris has a good supply of the new 2011 posters so be sure to order your framed posters now!***

need to be professionally framed. Owner Eric Norris is extending an even better offer of \$30 each to those that get a minimum of four posters framed. Also, for the first five members and sponsors that order frames for all eight posters (2004 - 2011) he will even supply all the posters as well! The Scarecrow posters are highly collectable so you need to act fast. You can contact Eric at the numbers shown above. Eric is a big supporter of the Scarecrow event and for the past several years has given away lots of gift cards at the event. Thank you Eric for your ongoing support! Because their Madison store is near the Scarecrow event, you can order your framed posters over the phone a few days prior to the event and pick them up while you are at the event on Saturday, October 22. The Madison store number is 601-853-3900 to place your order. The professionally framed Scarecrow posters will look great in your home, shop or office!

Image Gallery - Fine Custom Framing - with locations in Madison & Brandon, is extending a special offer to all MCC members and sponsors. For just \$35 each you can get your 18" X 24" *Scarecrow Cruise & Car Show* posters professionally framed. They will have a nice black wood frame, glass front, dry mounted on acid free foam core, sealed with a paper dust cover on the back, wire hanger and hardware included. The usual cost for a custom 18X24 wood/glass frame is about \$75. Sure, you can spend less at Walmart for an 18X24 frame but it will have a plastic frame and plastic cover and it will not take long before you start seeing waves in your posters. If you want them to look good and to last they

### ***Scarecrow is now on Facebook!***

“The 8th Annual Scarecrow Cruise & Car Show is just a month away and I hope to see you there. We now have a Facebook event page set up for the show. It is listed as "Scarecrow Cruise & Car Show." If you have a Facebook account I invite you to visit the *Scarecrow Cruise & Car Show* page and check it out. While you are there "like" the page and you will receive updates to your Facebook account. Also, take time to post a photo of your car and make a comment so others can see what will be at the show. Tell your friends to do the same. I will be updating the page every other day or so with news and photos as well. The more people we can get to "like" the page the more will learn about the show and maybe attend. Thanks for your help and I will see you at the Scarecrow event later this month!!” MCC member and Scarecrow volunteer Henri Fuselier.

## ***Lots of Awards at the 2011 Scarecrow Event!***

One of the many things that separate the annual Scarecrow event from other car shows in the area is the number of awards that are given out. For starters, awards are given out for the Top 50 Automobiles, Top 20 Trucks, Top 20 Street Rods, and Top 20 Imports. These awards are selected by the registered participants. Everyone who has a registered vehicle at the event gets to vote for their favorite vehicles. Next, MCC Board Member and Awards Committee Chairman Bob Jackman has a group of judges that selects the winners of several other categories that include the Top 10 Most Nostalgic, Top 5 Most Unusual, Top 3 Most Radical, Top 3 Project Vehicles, Top 3 Most Original, Top Rat Rod, Top GM, Top Ford, Top Mopar, Top British, Top Japanese, Best Paint, Best Engine, Best Interior, etc. And then there are other awards like the Mayor's Choice, Longest Distance and some others. Thanks to a computer program managed by MCC member Bob Clay the events ceremony runs rather quickly as lots of winners are given their awards at the end of the show.

***Shown to the left is the artwork for the awards to be given out at this year's event. With more than 140 awards to be given out lots of folks will have something new to hang on the wall!***

The ***Scarecrow Cruisen-4-Cash*** event on Friday, October 21 promises to be a lot of fun for those that participate. Participating locations are all on an easy to follow route along Highway 51 and include stops at **Ridgeland Auto World** in Ridgeland, **O'Reilly Auto Parts** in Ridgeland, **Venable Glass** in Ridgeland, **Printables and More** in Ridgeland, **Madison Square Center for the Arts** in Madison, **Kristos** in Madison, **Lenny's** in Madison, **Madison Chamber of Commerce** in Madison, **Smoothie King** in Madison and **Harreld Chevrolet** in Canton. Those that have registered for the Scarecrow event are eligible to participate. Participants will travel to these locations and will draw a name of a prize at each of these locations. In addition to \$500 in cash awards other items

one could win include free meals, free t-shirts and hats, free oil changes, free car washes, movie tickets, gift certificates and many other items. Remember that you must register to participate and must have your yellow windshield card with you at all the locations. You can pick up your yellow windshield card and map at the Madison Square Center for the Arts on Friday October 21, between 10am and 3pm. Allow 60 to 90 minutes to make all the stops.

For those of you participating in the ***Cruisen-4-Cash*** event on Friday, October 21, be sure to register at Harreld Chevrolet in Canton for a second \$500 cash prize! In addition to \$500 in cash and lots of door prizes that will be given out by the Scarecrow event to those that participate, Harreld Chevrolet will have a separate drawing for another \$500! Their drawing will be at the beginning of the awards ceremony on Saturday, October 22, at 2:30pm. So, be sure to also register for the Harreld Chevrolet drawing.

The 4-page ***Scarecrow Cruise & Car Show*** flyer & registration form was recently mailed to about 2,500 car enthusiasts in Mississippi and surrounding states. If for some reason you did not get a copy please contact Tom Phillips at 601-259-5248 or by email at [TomP1951@aol.com](mailto:TomP1951@aol.com). Or you can download a copy from our web site at [www.msclassiccruisers.com](http://www.msclassiccruisers.com).

One of the events at this year's Scarecrow event is the **FREE Magic Show** on Saturday, October 22 put on by local magician Dorian LaChance. The show will be from 11:30 to 1:30 in the school auditorium at the event. The auditorium seats about 300 so there will be plenty of room for Mom and the kids. Now this really does make this car show a true family event!

Also, the ***Mississippi Classic Cruisers*** have arranged for about 50 kids and their chaperones from local children's homes to come to the free magic show on Saturday. In addition to the magic show these kids will get a free meal provided by **Back Yard Burgers**. Thank you **Back Yard Burgers** for your support!

Be sure to buy your **Scarecrow Raffle Tickets** from one of the pretty ladies at the October 8th cruise-in at Renaissance. For \$5 (or 5 for \$20) three lucky people will get a chance to win one of the following items: a 32" flat screen television, a very nice stainless steel BBQ grill and a Yeti Roadie Cooler. Remember all money raised from the raffle goes to charity.

The ***Classic Car Caravan*** will start lining up at beautiful Reunion Golf Course on Saturday, October 22 starting at 8:15AM and will depart for Madison at 9:00 AM sharp along with a police escort. The 15 minute drive along Highway 463 is one of the most scenic in the State. Our plan is to have a camera crew filming the caravan somewhere along the route and post it to the ***Mississippi Classic Cruisers*** website for all to see. October mornings in Mississippi are usually a little cool so be sure to bring a light jacket.

## Classic Car Caravan continued.....

Free coffee will be available to those at the starting point! You must be registered to participate and have your yellow windshield card with you. You can register on Friday, October 21, from 10:00am and 5:00pm or on Saturday no later than 8:30am at the Madison Square Center for the Arts. **Be sure to see Mark Millet's art work at the upcoming Scarecrow event on Saturday.** Mark is best known for his paintings of scenes on the back roads of Mississippi where an old store that has seen its better days or kids walking along an old abandoned railroad stir his creativity. **Mark Millet Studio will have an open house, Thursday November 10, 5:30 – till featuring the 167 art group. For more information call 601-856-5901 or visit [markmillet.com](http://markmillet.com).**

**Harrel Chevrolet, Acura of Jackson, Gray-Daniels Nissan North, Patty Peck Honda and Joe Usry Chrysler Jeep Dodge** will also be displaying their vehicles at the Scarecrow event. This is a great opportunity to compare their great vehicles side-by-side.

**Gallant Hearts Guide Dog Center** will be at the Scarecrow event. Their mission is to train dogs to lead people who are visually impaired.
